Dear Friends,

J.R.'s is a family owned and operated restaurant that has been doing business in Atlanta for more than 50 years. We make 95 percent of our product in house daily, not like most franchised chains that get food delivered from a commissary. Most of our employees have been with us for many years.

We pride ourselves on good food with fast, courteous service. If your visit with us was lacking in any way, please tell Jeff, Tomeco, Vincent or any other manager on duty. I hope you enjoy your visit and come back to see us soon!

Thank you,
J.R. Romano
and Tim Shaw
